Re: Letter of Reference

To Whom It May Concern:

We were very pleased to have used the auditing and cost recovery services of National Auditing Services & Consulting, LLC (NASC) in securing our electric refund. Without the expertise of NASC we would never had known that we were entitled to not only a refund but a reduction on our future electric charges.

I can easily and without hesitation recommend NASC service to any business, should they be approached by a NASC representative.

Sincerely,

Jeff Anderson, CEO
